

# AXONE Palm

## The whole workshop in your palm!

**AXONE Palm** satisfies innovation and high quality needs; this very handy tool interfaces with all the instruments in the workshop.

- Resistant to shocks, falls, water, oil and dust
- Touch screen monitor and colour camera
- Strong lithium batteries
- Wireless  Bluetooth™ and Wi-Fi technology

Thanks to the new IDC3 Pocket software and the new "SEARCH" function <sup>powered by</sup>  (by Google Search Appliance), the operator, while repairing, can access easily and quickly TEXA database and find many examples of solved problems.
